

MID KOLSTAD SCHOLARSHIP

Administered by the Women Soaring Pilots Association

Name _____ Area Code/Phone _____

Address _____

Street City State Zip

Pilot Certificate # _____ SSA Member # _____ Date of Birth _____

(can be student pilot certificate #)

This Scholarship is funded by an endowment from the late Mid Kolstad. Mid was a glider pilot as were her husband and her children. She became interested in flying while still in college in the 1930s. She flew with the AirHoppers Club in New Jersey and at the Black Forest Gliderport in Colorado. It was her intention to help women who are truly committed to soaring to obtain their initial glider license/rating.

This scholarship is open to women over the age of 25 to help pay for lessons toward a Private Glider Certificate or add-on rating. Applicants must be members of WSPA and SSA or an equivalent organization if living outside the U.S. The scholarship is for \$1500 and may be used at any glider port. The money (in U.S. dollars) will be deposited at that glider port in the recipient's name.

Information submitted must show a commitment to soaring. This could be 1) already have several hours of instruction, 2) have taken and passed the Private Glider Knowledge Test, 3) have soloed in a glider, or 4) have volunteered in local glider club. Submit this form and the following items:

1. An essay of 500 words or less explaining your goals and previous experiences as they relate to gliders and how this scholarship will help you meet your goals.
2. A photo, preferably with an aircraft – no sun glasses please.
3. A copy of your pilot certificate (front and back). Note: this can be a student license.
4. A copy of your latest entry in your logbook showing your total time/flights.
5. Any other evidence that indicates you meet the requirements of this scholarship.
6. The name and address of the glider port where you plan to take your training.

I agree that WSPA may use my name, photo, essay, and biographical information for promotional, publicity, and public relations purposes.
