

York Soaring is very excited to be hosting the 2014 WSPA Soaring Seminar at our club in Southern Ontario. Our club members have been hard at work planning this event and looking at great opportunities for the participants.

A Sample schedule we have is ....

0700-0800 Breakfast

0800-0900 Hanger Unpacking

0900-1800 Flying

0900-1100 Briefing and Seminar or ACRO flying

1130-1330 Lunch available

1330-1500 Seminar (repeat from AM)

1600-1800 Acro resumes

1800-1900 Hanger Packing and Washing of Aircraft

1900-2130 Dinner and evening activity

2130- Camp Fire

Although the seminar begins on Monday July 21, we are happy to host participants the weekend earlier and into the weekend after the seminar. Please feel free to join us early, just let us know when you are arriving so we can be prepared for you. Those of you who arrive early can be checked out early too.

For the acro participants we highly recommend arriving at the on Sunday as we will be doing briefings and check-out for the acro participants so that the acro participants can start training Monday morning.

We have arranged daily briefings as well as seminar topics.

For those of you who are bringing non-flying participants, we have not left out. If you have a non-flyer or you want to just do something else for the day, we have organized information for 3 day trips.

Tuesday – St. Jacob’s Farmer’s Market

- absolutely one of the best farmer’s markets
- you can also take a horse drawn wagon ride into Mennonite country
- the town of St. Jacobs is a great place to visit for the day. Very quaint town.

Wednesday – Hamilton Aviation Museum and/or  
African Lion Safari

- they are both in the same area

Thursday – Niagara Falls

For those of you who are interested in Winching,  
we have been invited to a local club SOSA (Southern Ontario Soaring  
Association) to participate in a day of winching. This day will start at  
10am at SOSA with a briefing followed by winch launches.

Wednesday night we have a guest speaker from the Waterloo Airshow to  
come and talk about her role and build upon the Air Boss speaker from  
last year.

Friday we have a banquet at the Royal Canadian Legion in Fergus  
Ontario .

There will be great daily activities for all.

We also have access to rides in a T-21.

The rest of the activities are still to be planned ... but stay tuned ...  
there’s more great information to come.
