

Directory Inclusion Permission Form

Dear Parent or Guardian,

Your child as part of WSPA is eligible to participate in the online directory for WSPA. The online directory is available at womensoaring.org in a password protected section of the website. There are 3 options:

1. Inclusion in the directory with name, state, and email only
2. Inclusion in the directory by name only
3. Exclusion from the online directory

Please read the information at the top of this form, then select your option for your child's inclusion, sign and return the permission slip to treasurer@womensoaring.org.

By default, unless we hear otherwise, Youth Members are excluded from the online directory.
